

## AUTHORISATION FOR PUBLICATION OF THESIS ON WWW.GRAPPA.COM

I, the undersigned \_\_\_\_\_

Tel. no.: \_\_\_\_\_ E-mail: \_\_\_\_\_

Author of the  Degree  Doctorate thesis

Title of thesis: \_\_\_\_\_

Academic Year \_\_\_\_\_ University \_\_\_\_\_

- where as the aim of the Poli Grappa museum website ([www.grappa.com](http://www.grappa.com)) is to publicise and promote Grappa, solely for cultural and educational purposes;
- the Poli Grappa Museum, as the manager of the website, requests authorisation to publish the thesis in the "Library / Degree theses and specialist studies" section, considering it coherent with the interests and educational aims of the website;

### I HEREBY AUTHORISE

the Poli Grappa Museum to use my thesis for the following purposes:

- publication of the electronic version at [www.grappa.com](http://www.grappa.com) (for hardcopy theses, a digitised version thereof);
- consultation online at [www.grappa.com](http://www.grappa.com);
- publication and consultation at [www.grappa.com](http://www.grappa.com) for research and teaching purposes, excluding commercial use of any kind and any changes to the original document

### SUBJECTING

- the uses authorised above to acknowledgement of the authorship of the thesis (indication of the author's name);
- any other or further use of the thesis to separate, explicit authorisation on the part of the author.

### I HEREBY DECLARE,

as the exclusive author of the thesis:

- that the content of the thesis, including text, images, photographs, tables and other parts thereof, does not in any way infringe copyright, and complies with the obligations regarding the safeguarding of the moral or economic rights of other authors or rightholders;
- that the thesis is not the result of activities that come under the regulations governing industrial property rights, and is not the object of any kind of patent registration;
- that the thesis has not been produced within the framework of projects financed by public or private subjects that have placed any particular a priori restrictions on the publication of the results.
